Dear Stan:

Congratulations! President Carter could not have picked a better man for a demanding role requiring the utmost of intelligence and leadership. It restores ones faith in the system to see an appointment made where there is such a good fit of a qualified individual to the job.

I am not sure how I could be of help, but if there is anything I as an individual can do, or as a part of Sperry Rand please feel free to call.

Best wishes for success.

Sincerely,
